

CalFresh Helps You Buy Groceries

It works just like a debit
card, and you don't have
to pay the money back.

How CalFresh benefits work:

It's just like a debit card.

At checkout, swipe
your CalFresh
card, choose EBT
Food, enter your
PIN, and ... done!

Funds are
automatically
reloaded each
month.

Use it where you already buy food.

In many cases, you can use it online for grocery pickup or delivery.

Accepted at grocery chains,
convenience stores, local markets,
and many farmers markets.

You can use it online at participating
stores too.

Enter your zip code in the EBT
locator to see places near
you that accept CalFresh.

Did you know?

CalFresh works at many of your favorite stores! Like large grocery chains, online delivery, local markets, convenience stores, and even specialty stores that sell your favorite traditional foods.

Once you're signed up, keeping your benefits is easy.

Prevent your benefits from expiring:

Every 6 months: Submit an Eligibility Report.

You'll be asked to report any relevant changes, report income from the past month, and attach any proof to support your responses.

Every year: Renew your benefits.
